WOW unbelievable that these are the same streets surrounding Hollywood RC. Now the real challenge is to keep it this way as we have to keep our patron feeling comfortable and able to get to the park without having to walk on the streets to get to the front door. THANK YOU Albert and all the crews for this amazing work.

I'll join if time allows. We are working at MacArthur Park and South Park with similiar priorities. Recreation and Parks have the same concerns and I am letting staff know of this effort.

Officer Eubank and I spoke last night about a pending strategy in development for the sidewalk enforcement.

Hi Dan

Based on WPD availability, maybe a spot cleaning can be scheduled for tomorrow. If prioritized, authorization 170720028 has been created and is in process- it can be scheduled for July 27th.

This is the Cole side near the pool side of the park. Young people camped here clearly don't care for the community they are living in.
